Lion King Cast & Crew Welcome Packets – sign up by April 2

Disney's "The Lion King" will be at the Overture Center, from April 27 – May 23. This musical event draws large crowds and has had a strong economic impact in communities where it has been presented. The Lion King also requires a cast and crew of 100, who will be looking for places to shop, eat and go out. Some of them blog about their experiences in the cities they visit! BID is partnering with Overture to create downtown Welcome Packets for the cast & crew, including coupons, gift certificates, samples, and informational brochures from your downtown business. These packets will be a great way to introduce your business to the cast & crew, and encourage them to become your customers during their six week stay in Madison.

How to participate:

Provide items: Items should be small in size ranging from coupons or gift certificates, to menus or brochures. Make sure coupons or special offers are good through the end of May (at least).

Number of items: 100

Confirm Participation by: Friday, April 2

Items Ready for Pick-Up by: Friday, April 9

Ambassador Pick-Up: April 12-16

To confirm participation or for more information, contact Mitch Freund 608.443.1976,

2010 Downtown Construction

An informational meeting on 2010 Downtown Construction Projects was held March 15 with City Engineering & Parks, and BID has prepared a 2010 construction projects overview & summary.

Download here:

http://www.visitdowntownmadison.com/uploads/media/BID_Mar15ConstructMtngNotes_FINAL.pdf

Please take a moment to review. There are projects downtown which may affect your street or area, and there is information on getting Temporary Business Signage if needed. The overview also lists projects originally scheduled for 2010 that have been delayed, and future construction projects 2011-15. BID staff will attend future city construction meetings and issue regular updates (by email) for projects within the District. More information, including maps, project plans, and future projects, is available on the BID Construction News web page: http://www.visitdowntownmadison.com/news/index.php?category_id=2477
